**General Information**

Taxpayers may qualify for a credit for income taxes paid to another state when the same income that is taxed by the other state is also taxed by California. Effective for all open tax years, other state income taxes which are paid to the other state do not necessarily have to be in the same year, as long as the taxes relate to the same transaction. For further information, see Cal. Code Regs., tit. 18 section 18001-1(c).

You must attach this schedule and a copy of your return(s) filed with the other state(s) to your California return. Partners of partnerships, members of limited liability companies (LLCs) classified as partnerships for tax purposes, and shareholders of S corporations, see section G.

**Note:** If you e-file, you **do not** need to submit returns filed with other states with your California return. Retain a copy of other state tax returns, along with a copy of this form for your records.

**A Purpose**

If you are an individual filing a California personal income tax return or an estate or trust filing a California fiduciary income tax return, use this form to claim a credit against California tax for net income taxes imposed by and paid to another state or U.S. possession.

Residents of California may claim a credit only if the income taxed by the other state has a source within the other state under California law. **No credit is allowed** if the other state allows California residents a credit for net income taxes paid to California.

Nonresidents of California may claim a credit only for net income taxes imposed by and paid to their states of residence and only if such states do not allow their residents a credit for net income taxes paid to California.

**Important:** See sections C and D for a complete list of states and U.S. possessions for which the other state tax credit is allowed. See section H for a description of the source of various types of income.

Beneficiaries of estates or trusts, partners of partnerships, members of LLCs classified as partnerships, and shareholders of S corporations that paid a net income tax to another state on income that must be reported to California may also claim the other state tax credit. See sections F and G for details.

**B Application of the Credit**

Credit is allowed for net income taxes paid to another state (not including any tax comparable to California's alternative minimum tax) on income that is also subject to California tax. The credit is applied against California net tax, less other credits. The credit cannot be applied against California alternative minimum tax.

When a joint return is filed in California, the entire amount of tax paid to the other state may be used in figuring the credit, regardless of which spouse paid the other state tax or whether a joint or separate return is filed in the other state.

When a joint return is filed in the other state and separate California returns are filed, the credit is allowed in proportion to the income reported on each California return.

If, after paying tax to the other state, you get a refund or credit due to an amended return, computation error, audit, etc., you must report the refund or credit immediately to the Franchise Tax Board (FTB). Prepare a revised Schedule S and attach it to:

- Form 540X, Amended Individual Income Tax Return, if you filed Form 540 or Long Form 540NR; or
- Form 541, California Fiduciary Income Tax Return, if you filed Form 541. Check "Amended return" box below fiduciary address area on Side 1.

**C California Residents**

California resident individuals or estates and trusts that derived income from sources within any of the following states or U.S. possessions and paid a net income tax to that state or U.S. possession on income that is also taxed by California may claim the other state tax credit:

Alabama, American Samoa, Arkansas, Colorado, Connecticut, Delaware, Georgia, Hawaii, Idaho, Illinois, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Hampshire (business profits tax), New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, Utah, Vermont, Virginia (dual residents\*), Virgin Islands, West Virginia, Wisconsin, and the District of Columbia (unincorporated business tax and income tax, the latter for dual residents only).

California residents who are included in a nonresident composite partnership or S corporation return filed with the states listed above as well as Arizona, Indiana, Oregon, or Virginia may also claim a credit for their share of income taxes paid to these states, unless any of these states allow a credit for taxes paid to California on the composite return. California residents who are shareholders in a Texas S corporation may claim the other state tax credit for the tax paid by the Texas S corporation on its net taxable earned surplus. The corporation must be

**Withholding Agent Instructions****General Information****Purpose**

Use Form 592-B, Nonresident Withholding Tax Statement, to show the amount of income subject to withholding and tax withheld for nonresidents for the year. File a separate Form 592-B for each nonresident. Pass-through entities which were withheld upon by another entity should use Form 592-B to flow the withholding through to their partners, members, S corporation shareholders, or beneficiaries whether they are residents or nonresidents of California.

**Note:** Use Form 592-A, Nonresident Withholding Remittance Statement, to remit withholding payments during the year. Use Form 592, Nonresident Withholding Annual Return, to report the total withholding for the year and as a transmittal form for Forms 592-B.

**Common Errors / Helpful Hints**

- Tax ID numbers must be obtained from all payees.
- All fields must be completed.
- File Forms 592-B timely to avoid penalties.
- Examples of how to complete Form 592-B under various situations are provided on the Franchise Tax Board Website at [www.ftb.ca.gov](http://www.ftb.ca.gov). Look for "Withholding" and "Nonresidents".

**Who Must File**

Any person who has withheld on payments to nonresidents or is a pass-through entity that was withheld upon and must flow through the withholding credit must file Forms 592-B (with Form 592, Nonresident Withholding Annual Return) with the Franchise Tax Board (FTB) and give two copies of Form 592-B to the persons or entities withheld upon.

**Note:** Withholding agents who withhold based on Form 594, Notice to Withhold Tax at Source, should not include that withholding on Form 592-B.

**When and Where to File**

File Copy A of this form together with Form 592, Nonresident Withholding Annual Return, with the FTB on or before January 31 following the close of the calendar year unless you are withholding on foreign (non-U.S.) partners. For withholding on foreign partners, file Forms 592-B with Form 592, Side 2 on or before the 15th day of the 4th month following the close of the partnership's tax year. (If all the partners in this partnership are foreign, Forms 592-B and Form 592 must be filed on or before the 15th day of the 6th month after the close of the partnership's tax year.)

Attach Copy A of Form 592-B to the back of Form 592 and mail with payment to:

FRANCHISE TAX BOARD  
PO BOX 942867  
SACRAMENTO CA 94267-0651

If you are filing Form(s) 592-B by magnetic media, see Instructions for Form 592, Magnetic Media Requirements, for instructions on mailing the disk or CD to FTB.

Distribute the other copies of Form 592-B as follows:

- **Copies B & C** – Send to the recipient (vendor/payee) by the same date that Copy A is due to the FTB.
- **Copy D** – Retained by withholding agent.

**Penalties**

The withholding agent must furnish complete and correct copies of Forms 592-B to the FTB and to the recipient (vendor/payee) by the due date.

If the withholding agent fails to provide complete, correct, and timely Forms 592-B to the FTB for all nonresident withholding other than foreign partner withholding, the penalty per Form 592-B is:

- \$15 if filed within 30 days after the due date.
- \$30 if filed by August 1.
- \$50 if filed after August 1 or a correct form is not filed.

**Instructions for Seller**

This withholding of tax does not relieve you from the requirement to file a California tax return and report the sale within three months and fifteen days (two months and fifteen days for a corporation) after the close of your taxable year.

You may be assessed penalties if:

- You do not file a tax return.
- You file your tax return late.
- The amount of withholding does not satisfy your tax liability.

**How to Claim the Withholding**

To claim the withholding credit, enter the amount in **Box 7** on the line for real estate or nonresident withholding on your tax return.

**You must attach the top portion of Form 593-B, Copy B to the lower front of your California tax return.**

**Note:** S corporations, estates, or trusts may need to flow the withholding through to shareholders or beneficiaries instead of claiming it on the tax return. For further instructions, get Form 592, Nonresident Withholding Annual Return, and Form 592-B, Nonresident Withholding Tax Statement.

**Note:** If withholding was done for a failed exchange or on boot in the year following the year

the property was sold, the withholding is shown as a credit for the tax year the withholding occurred since you qualify for installment sale reporting. If you elect to report the gain in the year the property was sold, instead of in the year you received the payment, contact the Franchise Tax Board at **(888) 792-4900** prior to filing your California tax return for instructions to have the credit transferred to the prior year.

**What's New**

The funding for the Natural Heritage Preservation Credit is available beginning January 1, 2005, until June 30, 2008.

**General Information**

The California Personal Income Tax Law and Corporation Tax Law allows a nonrefundable credit for certain approved contributions of real property. This credit can be used by taxpayers against the net tax in an amount equal to 55% of the fair market value of a qualified contribution that has been approved for acceptance by the WCB.

**Purpose**

Use form FTB 3503 to figure the Natural Heritage Preservation Credit. Also, use this form to claim pass-through credits received from S corporations, estates or trusts, partnerships, or limited liability companies (LLCs) classified as partnerships.

S corporations, estates or trusts, partnerships, and LLCs classified as partnerships should complete form FTB 3503 to figure the amount of credit to pass through to shareholders, beneficiaries, partners, or members. Attach this form to Form 100S, Form 541, Form 565, or Form 568. Show the pass-through credit for each shareholder, beneficiary, partner, or member on Schedule K-1 (100S, 541, 565, or 568).

**Description**

The Wildlife Conservation Board (WCB) has implemented a program under which property can be contributed to the state, any local government, or to any nonprofit organization designated by a local government, based on specified criteria, in order to provide for the protection of wildlife habitat, open space, and agricultural lands.

**Definitions**

The credit is allowed against net tax, in an amount equal to 55% (.55) of the fair market value of any qualified contribution made by the taxpayer to the state, any local government, or any designated nonprofit organization.

**Qualifications**

To qualify for this credit, you must make a contribution of property as defined in Section 37002 of the Public Resources Code, and the WCB must have approved the contribution for acceptance.

For more information regarding qualified contributions, contact the Wildlife Conservation Board at (916) 445-8448. Or go to their Website at [www.wcb.ca.gov](http://www.wcb.ca.gov).

The fair market value of any qualified contribution shall be passed through to partners, shareholders, beneficiaries, or members of the pass-through entity in accordance with their interest as of the date of the qualified contribution. The term "pass-through entity" means any partnership, S corporation, or LLC classified as a partnership.

**Limitations**

No credit will be allowed unless you received a certificate from the WCB, which shows that your qualified contribution was approved for acceptance. You must retain the certificate and make it available to the Franchise Tax Board upon request.

S corporations may claim only 1/3 of the credit against the 1.5% entity-level tax (3.5% for financial S corporations). The remaining two-thirds must be disregarded and may not be used as a carryover. In addition, S corporations may pass through 100% of the credit to their shareholders.

If a taxpayer owns an interest in a disregarded business entity, a single member limited liability company (SMLLC) not recognized (disregarded) by California for tax purposes that is treated as a sole proprietorship owned by an individual or a branch owned by a corporation, the credit amount received from the disregarded entity that can be utilized is limited to the difference between the taxpayer's regular tax figured with the income of the disregarded entity, and the taxpayer's regular tax figured without the income of the disregarded entity. A SMLLC may be disregarded as an entity separate from its owner, and is subject to statutory provisions that recognize otherwise disregarded entities for certain purposes including the tax and fee of an LLC, the return filing requirements of an LLC, and the credit limitations previously mentioned. Get Form 568, Limited Liability Company Return of Income Tax Booklet, for more details.

If you lease a private mailbox (PMB) from a private business rather than a PO box from the United States Postal Service, include the box number in the field labeled "PMB no." in the address area.

**A Purpose**

Use form FTB 3507 to figure and claim a credit for wages paid to prison inmates under an approved joint venture. Also use this form to claim pass-through prison inmate labor credits received from S corporations, estates or trusts, partnerships, or limited liability companies (LLCs) classified as partnerships.

S corporations, estates or trusts, partnerships, and LLCs classified as partnerships should complete form FTB 3507 to figure the amount of credit to pass through to shareholders, beneficiaries, partners, or members. Attach this form to Form 100S, Form 541, Form 565, or Form 568. Show the pass-through credit for each shareholder, beneficiary, partner, or member on Schedule K-1 (100S, 541, 565, or 568).

**B Qualifications**

California allows a credit equal to 10% of the wages paid to each prisoner who is employed under an approved joint venture.

The credit amount is based on wages paid to each qualifying employee during the taxable year for the duration of the contract agreement.

The credit applies only to wages paid pursuant to a contract agreement, between the director of corrections and the joint venture employer, executed on or before the day the individual begins work for the employer.

**C Limitations**

S corporations may claim only 1/3 of the credit against the 1.5% entity-level tax (3.5% for financial S corporations), the remaining two-thirds must be disregarded and may not be used as carryover. S corporations can pass through 100% of the credit to their shareholders.

If a taxpayer owns an interest in a disregarded business entity [a single member limited liability company (SMLLC) not recognized by California for tax purposes and treated as a sole proprietorship owned by an individual or a branch owned by a corporation], the credit amount received from the disregarded entity that can be utilized is limited to the difference between the taxpayer's regular tax figured with the income of the disregarded entity, and the taxpayer's regular tax figured without the income of the disregarded entity.

An SMLLC may be disregarded as an entity separate from its owner, and subject to certain statutory provisions that recognize otherwise disregarded entities for certain purposes including the tax and fee of an LLC, the return filing requirements of an LLC, and the credit limitations previously mentioned. Get Form 568, Limited Liability Company Return of Income tax booklet, for more details.

This credit cannot reduce the minimum franchise tax (corporations and S corporations), the annual tax (limited partnerships, limited liability partnerships, and LLCs), the alternative minimum tax (corporations, exempt organizations, individuals, and fiduciaries), the built-in gains tax (S corporations), or the excess net passive income tax (S corporations). This credit cannot reduce regular tax below the tentative minimum tax (TMT). See Schedule P (100, 100W, 540, 540NR, or 541) for more information.

There is **no** provision for carryover of any unused credit to succeeding tax years and in no event can this credit be carried back and applied against a prior year's tax.

This credit is not refundable.

**Corporate Members of a Unitary or Combined Group**

This credit cannot be allocated or otherwise transferred to another taxpayer, even if the other taxpayer is a member of a unitary or combined group or otherwise affiliated with the taxpayer who earned the credit.

**Specific Line Instructions**

**Line 1** – Enter the total amount of qualifying wages paid or incurred under the provisions of the approved joint venture.

**Line 3** – If you received more than one pass-through credit from S corporations, estates or trusts, partnerships, or LLCs classified as partnerships, add the amounts and enter the total on line 3. Attach a schedule showing the names and identification numbers of the entities from which the credits were passed through to you.

**Line 4** – The amount of this credit that can be claimed on your tax return may be further limited. Refer to the credit instructions in your tax booklet for more information. These instructions also explain how to claim this credit on your tax return. You must use credit code number **162** when you claim this credit. Also see General Information C, Limitations.

**General Information**

For taxable years beginning on or after January 1, 2001, the California Personal Income Tax Law and Corporation Tax Law allow a nonrefundable Solar or Wind Energy System Credit for certain approved photovoltaic or wind-driven solar or wind energy systems. For taxable years beginning on or after January 1, 2004, and before January 1, 2006, the credit percentage changed from 15% to 7.5%. The credit can be used by taxpayers against the net tax in an amount equal to the lesser of 7.5% (.075) of the cost paid or incurred for the purchase and installation of a solar or wind energy system after deducting the value of any municipal, state, or federally sponsored financial incentives, or the applicable dollar amount per rated watt of the solar or wind energy system. **Important:** The last taxable year to claim this credit is 2005.

**Purpose**

Use form FTB 3508 to figure the Solar or Wind Energy System Credit. You claim the credit by completing and attaching form FTB 3508 to the tax return for the tax year you qualify for the credit. Form FTB 3508 must be attached to your tax return filed with the California Franchise Tax Board.

S corporations, estates or trusts, partnerships, and limited liability companies (LLCs) classified as partnerships should complete form FTB 3508 to figure the

amount of credit to pass through to shareholders, beneficiaries, partners, or members. Attach form FTB 3508 to Form 100S, Form 541, Form 565, or Form 568. Show the pass-through credit for each shareholder, beneficiary, partner, or member on Schedule K-1 (100S, 541, 565, or 568).

**Description**

A Solar or Wind Energy System Credit will be allowed against the net tax in an amount equal to 7.5% of the cost paid or incurred after deducting the value of any municipal, state, or federal incentive for the purchase and installation of a solar or wind energy system, or the applicable dollar amount of \$4.50 per rated watt of the system. The lesser of the two is the allowable credit.

The tax credit is applicable to solar or wind energy systems with a rated peak generating capacity of 200 kilowatts or less. The 200 kilowatts size limitation applies to solar or wind energy systems installed on or after January 1, 2001, and does not apply to systems installed prior to this date. Systems installed prior to January 1, 2001, should not be considered in determining the rated peak generating capacity of systems installed after this date.

**Qualifications**

A solar or wind energy system is a solar (photovoltaic) or a wind turbine electrical generating facility, or a hybrid system of both, but not a solar thermal,

**General Information**

In general, California law conforms to the Internal Revenue Code (IRC) as of January 2005. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information regarding California and federal law, visit our Website at [www.ftb.ca.gov](http://www.ftb.ca.gov) and search for **conformity**. Additional information can be found in FTB Pub. 1001, *Supplemental Guidelines to California Adjustments*, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

Note, the instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

For tax years beginning after December 31, 1992, under federal law, net capital gain from the disposition of property held for investment is excluded from investment income when figuring the investment interest limitation. However, taxpayers may elect to include in their investment income as much of their net capital gain investment income as they choose if they also reduce the amount of net capital gain eligible for the special federal capital gain tax rate. California conforms to this federal provision for taxable years beginning on or after January 1, 1997.

This form allows you to make a separate California election to include net capital gain

investment income in the calculation of the investment interest limitation. However, California does not have a special capital gain tax rate (all income is taxed at the same rate), and you should consider the effect on your California tax before making a separate California election or applying the federal election for California purposes.

For taxable years beginning on or after January 1, 2002, California law was changed to clarify the method used to calculate loss carryovers, deferred deductions, and deferred income for nonresident and part-year resident taxpayers. This changed the tax computation to recognize those items, and established a new method to determine percentages for computing tax for all nonresidents and part-year residents. The nonresident tax forms (Long and Short Form 540NR) have been revised to more clearly show that nonresidents pay tax to California only on their California taxable income. For more information, get FTB Pub. 1100, *Taxation of Nonresidents and Individuals Who Change Residency*.

**Military Personnel** – Servicemembers domiciled outside of California, and their spouses, may exclude the member's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay in California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. For more information, get FTB Pub. 1032, *Tax Information for Military Personnel*.

**A Purpose**

Interest expense paid by an individual, estate, or trust on a loan allocable to property held for investment may not be fully deductible in the current year. Use form FTB 3526 to figure the amount of investment interest expense deductible for the current year and the amount, if any, to carry forward to future years.

**B Who Must File**

If you are an individual, estate, or a trust and you claim a deduction for investment interest expense, you must complete and attach form FTB 3526 to your tax return.

**Exception:** You do not have to file form FTB 3526 if **all** of the following apply:

- Your only investment income was from interest or dividends.
- You have no other deductible expenses connected with the production of interest or dividends.
- Your investment interest expense is not more than your investment income.
- You have no disallowed investment interest expense from 2004.

**Specific Instructions**

Generally, California law for the investment interest expense deduction follows federal law. Get the instructions for federal Form 4952, Investment Interest Expense Deduction, for more information. Get federal Publication 550, Investment Income and Expenses, to determine your investment interest expense deduction if you have interest income or expense attributable to a working interest in oil or gas property or if you paid or accrued interest on a loan and you used the proceeds of the loan for more than one purpose.

**General Information**

California allows an enhanced oil recovery credit which is similar to the federal enhanced oil recovery credit under Internal Revenue Code (IRC) Section 43, with exceptions. Unless specifically identified otherwise, references in these instructions are to the IRC as of January 1, 2005, and to the California Revenue and Taxation Code (R&TC).

**A Purpose**

Use form FTB 3546 to figure and claim the enhanced oil recovery credit for enhanced oil recovery projects located within California. Also use this form to claim pass-through enhanced oil recovery credits received from S corporations, estates or trusts, partnerships, or limited liability companies (LLCs) classified as partnerships.

S corporations, estates or trusts, partnerships, and LLCs classified as partnerships should complete form FTB 3546 to figure the amount of credit to pass through to shareholders, beneficiaries, partners, or members. Attach this form to Form 100S, Form 541, Form 565, or Form 568. Show the pass-through credit for each shareholder, beneficiary, partner, or member on Schedule K-1 (100S, 541, 565, or 568).

**B Description**

The California enhanced oil recovery credit is available for taxable years beginning on or after January 1, 1996. The tentative enhanced oil recovery credit is equal to 5% (representing 1/3 of the federal enhanced oil recovery credit) of the qualified enhanced oil recovery costs for qualified oil recovery projects located within California. See General Information F, Limitations, for further limitations on the enhanced oil recovery credit.

**C California and Federal Differences**

The federal enhanced oil recovery credit under IRC Section 43 and the California enhanced oil recovery credit under R&TC Sections 17052.8 and 23604 are generally the same, except that:

1. The California credit is equal to **5%** of the qualified enhanced oil recovery costs for qualified oil recovery projects **located within California**, as opposed to the federal credit which is equal to 15% of the qualified enhanced oil recovery costs for qualified oil recovery projects located within the United States, including the seabed and subsoil adjacent to the territorial waters of the United States as defined under IRC Section 638(1).
2. California **does not allow** the enhanced oil recovery credit for the following taxpayers:
  - Taxpayers who are **retailers of oil or natural gas** that directly (or through a related person) sell oil or natural gas, excluding bulk sales of aviation fuels to the Department of Defense. See IRC Sections 613A(d)(2) and 613A(d)(3) for more information.
  - Taxpayers (or related persons) who are **refiners of crude oil and, on any day during the taxable year, whose daily refinery output exceeded 50,000 barrels. See IRC Section 613A(d)(4) for more information.**
3. The California credit may be carried over for 15 years and is subject to limitations described in General Information F, Limitations. The federal credit is part of the general business credit subject to the limitations imposed by IRC Section 38.

**D Definitions**

**Qualified enhanced oil recovery costs** means:

1. Any amount paid or incurred during the taxable year for tangible property located within California:
  - That is an integral part of a qualified enhanced oil recovery project in California; and
  - For which depreciation (or amortization) is allowable.
2. Any intangible drilling and development costs:
  - That are paid or incurred in connection with a qualified enhanced oil recovery project located within California; and
  - For which the taxpayer may make an election to capitalize and amortize such costs under IRC Section 263(c) and R&TC Sections 17201 and 24423.
3. Any qualified tertiary injectant expenses paid or incurred in connection with a qualified enhanced oil recovery project located within California.

**Note:** For California Personal Income Tax Law and Corporation Tax Law purposes, tertiary injectant costs must be capitalized and deducted through depreciation because California has not conformed to the provisions of IRC Section 193.

**Qualified enhanced oil recovery project** means any project **located within California** involving the application of one or more tertiary recovery methods defined in IRC Section 193(b)(3), and mentioned below, that can reasonably be expected to result in more than an insignificant increase in the amount of crude oil recovery.

If you earned your income at approximately the same rate each month (See Example B), then you should not complete this schedule. If you choose to figure the penalty, see the instructions for Worksheet II — Regular Method to Figure Your Underpayment and Penalty, on page 4 of the instructions.

**Example A:** If you were a commissioned salesperson who earned no income during the first three months of the year, earned most of your income during the following six months, and earned very little during the last three months, you should complete this schedule. You may be able to benefit by using the annualized income installment method. The required installment of estimated tax figured using the annualized method may be less than your required installment figured using the equal installment method.

**Example B:** If you worked all year and earned a monthly salary that did not change much during the year, you should not complete this schedule.

**Note:** To complete this schedule correctly, you must first complete Side 1, Part II, line 1 through line 6.
